Park

RICCARDO GIOVANETTI 2019
Able Collection

The Park Coffee Tabletop is made of Oak wood structure and finished in high-gloss. Legs are secured directly inside the top, so the structure's integrity is certified. The idea behind Park is that the top is more of a consensus imagination of the shape of common green-spaces and parks from around the world. Its use and ability to slide underneath and be "parked" closely to sofas and armchairs make the more practical and transform the sofa and armchair with additional function.
